

University of Milano Bicocca 3D face database License Agreement

The UMB-DB 3D face database has been collected by volunteers and by the staff of the Imaginig and Vision Laboratory of the the University of Milano-Bicocca.

To advance state-of-the-art the database will be made available to researchers on a case by case basis only. Students must delegate the request of the database to their supervisors.

To receive a copy of the database, the Researcher must agree to the conditions below, and sign the document. The permission to download the database will be granted after the receipt of the signed document.

By signing this document, the Researcher agrees that:

1. The database is released for research purposes only. The original data or modified copies (including synthesized 3D faces derived from the data) will not be used for any commercial purposes.
2. The database will not be further distributed, published, copied, or further disseminated in any way or form whatsoever, whether for profit or not.
3. The database comes without any warranty. The University of Milano-Bicocca and its personnel are not responsible for any damage caused by the use of the database.
4. All documents and papers that report on research that use the UMB-DB database will acknowledge its use. At the mention of the database the following publication will be cited: A. Colombo, C. Cusano, and R. Schettini, "UMB-DB: A Database of Partially Occluded 3D Faces," in Proc. ICCV 2011 Workshops, pp. 2113-2119, 2011.
5. The identity of the subjects in the database is strictly protected. Names are not released. The names of the persons in the database , if obtained through another source, will not be disclosed.
6. Only images of subjects labeled with the identifiers 0001, 0002, 0009, 0010, 0040, 0044, 0075 can appear in reports, papers, and other documents published or released.
7. Prof. Raimondo Schettini may withdraw this authorization at any time and for any reason.
